NEW  
Instant  
Hot Water  
Taps

**PRONTEAU™**  
by abode

INTEGRATED TECHNOLOGY THAT GIVES YOU

- 3 IN 1** Cold, Hot & Steaming Hot (98°) water
- 4 IN 1** Cold, Filtered Cold, Hot & Steaming Hot (98°) water

All Pronteau taps work with the Proboil.2X boiler to give you steaming hot water between 75° & 98°

Single Levers

**Single Levers** Adjust temperature with a flick of the wrist. Several designs, including top lever styles are available.

Dual Levers

A **Dual Lever** allows for complete symmetry for some of the most elegant designs.

Semi-Professional

The **Pull-Out** is the perfect addition in the kitchen to make daily tasks such as pot filling, dish rinsing, food preparation and sink cleaning that much simpler.

Professional

The **Professional** tap is a **Pull Around**, in which the hose is visible on the external of the tap and held in a handspray holder. Change the stream of water, from flow to a powerful spray with a button.

Water Filter

The **Puria Aquifier** range gives the added benefit of a dedicated filtered water function, straight from the tap - reducing hardness, taste and odour of chlorine.

Introducing **Switch**

A revolution in filtered water technology

Use the **Switch** device to convert ANY kitchen tap to deliver filtered water as well as the standard cold water.

Kitchen  
Sinks

Abode kitchen sinks and taps are created for people who want the perfect blend of design, performance and sheer quality

Kitchen sinks

Choose from our new range of Abode kitchen sinks - available in Stainless Steel, Granite & Ceramic. Made from quality materials to not only add value to your home, but making it easy to maintain and extremely durable.

Options include **Undermount**, **Apron** & **Inset** sinks in various sizes and finishes for your perfect kitchen.
